

## RECYCLING made EASY

Easy Bar® is now offering all of our customers the option to return the empty plastic trays to us *at no charge* so that we may *recycle* them.

EASY BAR® comes packaged in 5 plastic trays per case. These plastic trays protect the Easy Bar® during their shipment. In an effort to help our customers reduce waste, we have created **EASY BAR® RECYCLE**

### RECYCLING STEPS:

- (1) Use Easy Bar® as instructed with a typical frequency of 4 or 5 Easy Bar® per tire per week.
- (2) As empty plastic trays accumulate, place them in any empty EASY BAR® Case. Each EASY BAR® Case will hold up to 20 plastic trays.
- (3) Place ONE of the FedEx Shipping Labels (located inside each Easy Bar® Case) on the outside of a Easy Bar® Case once “filled” with 15-20 empty plastic trays.
- (4) Your regular FedEx ground service can pick up the box and they will return it to us.

We hope that you will join us in our **Easy Bar® Recycle** initiative and help us look after our environment. Contact us with any questions about this program.
